Subject: Diamond Alkali: Request to sign 7th Amendment to tolling agreement

Jeff, Lee and Diana:

As you know, we have asked the PRPs at the Diamond Alkali Site to sign an extension of our current tolling agreement. This email pertains to those parties who originally signed the six month tolling agreement. I will send another email regarding the original two year tolling agreement.

We have requested a one year extension of the tolling agreement, through August 16, 2023. Attached are:

1. The original tolling agreement (PDF, Doc. No. 2794084)
2. The proposed extension (the 7th amendment) (PDF, Doc. No. 3065919), and
3. A WORD version of the signature page to the 7th amendment, for the convenience of those who want to fill it out electronically (Word, Doc. No. 3065794).

Please have your clients who originally signed the six month tolling agreement, as well as the subsequent 6 amendments, sign the 7th amendment. If you want to send me one signature page on behalf of multiple clients, that's fine with me as long as you are authorized by your clients to do so.

We are seeking signature pages from all PRPs who are currently under one of the tolling agreements, and not just allocation parties. Please submit the signature pages no later than Thursday, June 30, so that the government can fully focus our efforts on settlement.

If you have any questions, please contact me at (202) 532-5896 or Brian Donohue at (202) 532-3355.
Thank you,
Laura
