Thank you Christine,

I'll make the change on my end.

Hi Jay,

I had intended to request 14-day TAT. I apologize for any confusion

Thank you
Chris

Hi Christine,

The seven day TAT, on the attached Shiloh Road Site Analytical Request Form, received today, will place a tremendous strain on the laboratory since the laboratories are closed on weekends and Wednesday, November 11th, is a holiday.

I could increase the TAT to 14 days or change the sample shipping start date to November 9th; please let me know which option works best for you.

Good Afternoon,

I have attached an analytical request form for PCBs in soil sampling scheduled to be collected at Shiloh Church Road between November 4 through December 3, 2020. The laboratory reporting limits can be used.

Please let me know if you have any questions.
