Agenda

Introductions

Discussion

- Update on past efforts and future plans for public outreach and the provision of safe water
- Description of Yakima County's regulation of private domestic wells and Group B public water system.
- Update regarding the GWMA implementation team's efforts to secure stable funding and implement the 64 recommended actions
    - what is the plan to acquire stable funding?
    - How is Yakima County prioritizing recommended actions?
    - What is the schedule for completing recommended actions?
    - Which recommended actions is Yakima County currently working on?
- Will the 64 recommended actions achieve either: (1) meeting the MCL in all locations in the LYV or (2) ensure the protection of all residences in the LYV from exposure to drinking water above the MCL?
    - Which recommended actions are important for achieving either of these outcomes?
    - What is the anticipated timing for achieving these goals?
