Hi Rob,

With all credit to Brad McKitrick, please see the attached Region VI letter with analysis to El Paso Energy Bridge (later known as Gulf Gateway) regarding air and water permitting. Unfortunately, I don't have a signed version.

Best,

Curtis

Thanks Brad. You may have sent them already, but do you have any EPA letters regarding the Clean Air Act and other GOM deepwater ports (Gulf Gateway, Main Pass, TORP, Port Dolphin, etc.)?

Thanks,

Curtis

Curtis,

Below is a link to an EPA letter to a DWP applicant discussing air permits for a DWP. The "Authority & Guidance" section of the letter is relevant to our ongoing discussion regarding LOOP.
