Jen,

Prices per VPB and MW will vary based on their depths and number of nested wells being installed at each location.

I can look into providing estimates for the individual VPBs and MWs which is probably what you need if you are going to divide the costs based on which plume the VPBs and MWs are located in.

Jean

Thank you Jeff.

Would it be possible to get me a price/VPB and price/MW?

Jen,

Jean contacted a driller and came up some better numbers $$ and time…..they were in the area drilling deep wells

Thank you,

Jeff M. Catanzarita

Jeff,

The attached file contains the revised costs for New Cassel PDI groundwater monitoring and VPB/MW drilling, sampling, and installation.

Talking to Bill really helped reduce the drilling time to a more realistic estimate.

Could you look at the attached file on Monday and we can go over any changes you want to make to it before I send it to Jen. I would like to send it to her Monday afternoon.

Jean
