Hi Bob,

I was just able to change my appointment so let's meet on 2/4 at 2:00 since John asked for the afternoon. I'll expect a crowd and reserve a large room but could you please confirm the numbers as soon as you can? Hopefully there won't anything going on in the building that will delay people's arrival.

Although I mentioned it in my 12/9/14 email, I will be on vacation and will be returning on 1/20. We expect comments on the documents I sent on the 9th by no later than the 19th. Please remind folks that if they have any questions or concerns during my absence they should call Jim Doyle at 212-637-3165 or email him at doyle.james@epa.gov. Your technical representatives can reach out to Jennifer LaPoma directly at 212-637-4328 or lapoma.jennifer@epa.gov.

Have a great few weeks.

Sharon

2/4 was the date that worked for everyone. The 3rd and 5th were ok for most, but we will

lose a couple on either of those. Let me know what is best for you.

Hi Bob,

I don't think we ever confirmed the meeting for 2/4. Please let me know if there is any other day that week that folks could meet because I have an appointment on the 4th which I will change if we can't find another day that week. How did folks schedules look for that week?
