Hi,

Attached are the final NCHGW settlement offer documents. Note I don't have a signed pdf of the letter. I forgot to do that before Rayetta brought the package to Rose for copying. The letter is dated 7/23 so it needs to go out on Wednesday. I'm flexing on Wednesday. The labels/certified mail return receipt for the addressees and address labels for the cc's are done and Rayetta has them. She knows what she has to do. Tom Lieber offered to assist her if she needs it on Wednesday. It's all pretty straight forward so there shouldn't be a problem. (Note the notice etters to Lincoln Processing and Charles Pufahl are going out tomorrow.)

Just in case, here is the order the documents should go in:

1. Letter

2. Enclosure 1 – List of Addressees

3. Enclosure 2 – RD and RI/FS Settlement Agreement with Appendices

Appendix A – OU1 SOW

Appendix B – OU3 SOW (including guidance reference list)

Appendix 3 – Map of OU1

Appendix 4 – Map of OU3

Appendix 5—OU1 ROD (note I didn't copy the ROD – it was 487 pages – I just included a cover sheet for the appendix with a link to where the rod can be found on our website.

Appendix 6 – Map of the Site

4. Enclosure 3 – Past Cost Narrative Summary and Cost Report

5. Enclosure 4 - Counsel for Addressees List

The letter should be sent via certified mail/return receipt requested to the addressees (enclosure 1) and regular mail to the cc's (enclosure 4 and the list of people at the end of the letter). Rayetta has all of their addresses.

Thanks for everyone's help with this!

Sharon
