Sharon,

FYI > Per our phone conversation on Friday, I have advised the New Cassel-Hicksville PRP Group members that you will have the revised settlement documents to them in early August and have sent out an online survey to identify a date the 3rd or 4th week in August for a meeting between EPA & the PRP Group at the EPA regional office. I'll be in touch as options for a meeting date are narrowed so you can keep possible dates open.

All the Best,
David
