Ann and Kirk – Attached is a draft enforcement strategy that we put together for EPA management here in Region 8 for the Upper Animas site, now to be called the Bonita Peak Mining District site. This strategy has been tenatively approved by EPA management, but it should be considered draft and subject to change. I wanted to get this to you both ahead of a potential meeting. After Ann and I spoke this morning, I am thinking that we should have a Fed family only meeting first

and then have a meeting with the State included, so I believe Rebecca Thomas is going to send out a doodle poll to see if we can establish a date for a Fed only meeting on enforcement.

We can wait for the meeting to discuss any comments or thoughts you have on the draft enforcement strategy but if you have any questions, comments, etc. before the meeting, please let me know.

Thanks
