Thanks, Audrey! I'm going to reserve a hotel room in the Chesapeake area for Monday night. Let me know if you want to meet up before the field view.
I won't be able to bring a lot of field equipment with me this time, so I'm hoping that you could bring an auger and the usual gear.

See you soon,
Carrie

Carrie-

The consultant for Tri-City, Brian Owen with MSA, is available on Tuesday, February 23 for a site visit to Centerville Properties. We will meet him at the site, sometime in the morning (8am-9am time frame, TBD) as I understand you plan to arrive in the area on Feb 22.

Once your plans are finalized, please let me know. If you have any questions about traveling to Chesapeake, let me know.

Looking forward to meeting you in person,

Subject: EPA Site Visit to Centerville Properties

Valerie-

Carrie Traver, with EPA Region 3 in Philadelphia, PA, contacted me today to request a site visit to Centerville Properties. EPA would like to visit both the proposed development area, and areas proposed for wetland mitigation (preservation and restoration). As EPA will be in Virginia for other projects on February 24, they would like to visit the site on Tuesday, February 23, and plan to set aside the entire day to visit the site.

Please let me know if we can arrange this site visit.

Thank you,
