Subject: OCC/U.S. Government Negotiations for Passaic River Site Remedial Design

Dear Walter, Eric, Juan, Nickie, Sarah and Alice,

On behalf of Occidental Chemical Corporation and Glen Springs Holdings, Inc. ("OCC"), I write to thank you for arranging, on such short notice, our meeting with the EPA and DOJ team on September 9 to resolve extant issues to facilitate execution of the AOC for remedial design of the remedy for the Passaic River Superfund site. I hope you will agree that the meeting was characterized by cordiality and forthrightness and a mutual interest in moving forward with the design. OCC appreciates the flexibility that you have shown, and we are looking forward to the government's responses to the few remaining questions.

Please forward this note to the EPA and DOJ participants whose email addresses do not appear above.

Larry
