Dear Mr. Smagula:

The New Hampshire Department of Environmental Services hereby issues the enclosed Title V Operating Permit in accordance with the New Hampshire Code of Administrative Rules *Env-A 100 et seq., New Hampshire Rules Governing the Control of Air Pollution.* The Region I office of the United States Environmental Protection Agency has completed its final review of the proposed Title V Operating Permit and does not object to its issuance. This letter has no effect on the time frame for citizen petitions. The period for a citizen's petition to the United States Environmental Protection Agency shall expire on August 25, 2017.

If you have any questions concerning this matter, please contact Padmaja Baru of the Air Resources Division, Bureau of Permitting and Environmental Health by calling (603) 271-6798 or via e-mail at padmaja.baru@des.nh.gov.

Sincerely,

Craig A. Wright
Director
Air Resources Division
