Will do.

Jay, if you don't mind, we'll copy you on revised PDF and just send you the new pages.

Thanks.

Juan

There are 4 more edits that need to be made before this document can be made public. Feel free to swap the appropriate pages and re-send the PDF rather than issuing another revision. Let me know if we need to discuss.

Alice,

Per discussion, please see the revised PMP submission produced Final with the revisions as per EPA comments. We've included a Response-To-Comment table for easier quick-reference. We can provide page swaps if you have any additional revisions to note as well. Thanks.

Juan
