Ok – then we should change the title of the slide to "Stakeholder Meeting" rather than AMCA. Thanks.

Karl was the only one in attendance. And he made it clear that he was associated with AMCA, but not formally representing them that day.

No need to contact him at this point. Just wanted Phil to be aware that we have met w them and been promised information, which we have not yet received. Also, just to be clear – were other AMCA members in attendance or was Karl the only representative?

Thanks,

Anita

We haven't received any information that I know of. Karl is supposed to be getting us typical plane configurations for adulticide applications, but we don't have a deadline set for that. That was human health and ESA related. We didn't have any specific follow-up activities either. I could send him an email and see if he has any info…

Thanks Chuck. Phil is going to present the ESA update at the AMCA meeting. Re: the potential areas of ESA-related support, have we received any information based on the meeting or were there any specific follow-up activities?

Hi Anita,

Attached is a slide that briefly recaps the meeting from last fall with Karl. Let me know if you would like me to expand on anything.

Hi Chuck,

We need to provide an ESA update to AMCA this month and I wanted to include a slide or two on the meeting we had last fall (I think?) w/Karl Mohmmed-Roam and others including information exchanged and next steps. Could you put together a couple of slides w/talking points?

Thanks,

Anita

Good morning all,

As a follow-up to Angela's email, please be sure to send your PPT presentations to amca@mosquito.org by Tuesday, May 9 for preparation onsite.

Thank you,

Heather

Good afternoon,

Thank you for your participation in the American Mosquito Control Association's upcoming Washington Conference program. Details for the conference can be found at: http://www.mosquito.org/washington-conference. Registration is free. The last report I received stated we have 105 people registered from 26 states!

The preliminary program is attached and copied below. Please email me if adjustments need to be made to the speakers, titles, or presentation times. Do not hesitate to call if you have any questions.

Presentations can be emailed to ahead of time to amca@mosquito.org with the subject line of "Washington Speaker".

I look forward to seeing you. Thank you for your continued support of AMCA's legislative and regulatory efforts.

Sincerely,

Angela Beehler
