I am attaching the OMB Determination Request form to this meeting to provide some context for the conversation on Monday. Unfortunately, I will not be able to attend the meeting but Sue and the rest of the PRD team can answer any questions you may have to get this process started. If you have any questions before or after this meeting please feel free to reach out.

Hello All,

I am setting up this meeting to begin discussing the OMB determination for an ANPRM on treated seeds and the requesting comments on the 3(a) rule, label language for treated seeds, use and usage of treated seeds and others that we are still developing. We are planning to announce this ANPRM in the spring reg agenda but this process of OMB determination is separate from that. We are hoping to get an expected costs or other impacts of the 3(a) rule as required by the OMB determination request. I will attach the OMB determination request form prior to the meeting. Please forward to any others that should be included in this discussion and if you have any questions before this meeting please let me know.

Best,
Quinn
