Subject: pesticide ESA materials
Combined letters to Sec. Ross Sec. Zinke and Admin. Pruitt with enclosures 4-13-17 (002).pdf

David and Justin:

Per your request, I've attached the letter from David Weinberg at Wiley Rein to Administrator Pruitt and Secretaries Ross and Zinke asking that our consultation packages be withdrawn or sent back to us, and a link to the NAS report on ESA pesticide ESA assessments. (You can read the report off the NAS website, but I don't think you can copy it – sorry).
