Usually, she receives things before we do. But, I think that she would be interested in seeing both statements. It sounds like the DDs didn't see them. So, I would send to Yu-Ting and Billy. If you have any concern about fallout, I can send.

HI Rich – Do you forward these kind of emails to Yu-Ting? Also, how do you keep her appraised of what is going on?

Subject: The "Final" Version of USDA Testimony

Hi EPA Team,

Attached is the "final" version of Sheryl's USDA Testimony that was shared with us at 3:30 pm yesterday by our Legislative Affairs liasion. Things may have changed since then, but we (career FWS) weren't looped in on any of those final changes.

Ex. 5 - Deliberative Process interagency consult

Thanks,
Kayla
