I highlighted some added language but not all. I accepted all changes including format so easier to read. Hope these changes are useful.

You all have both the revised FFS and the draft ROD, right? I know there are probably a thousand other things to say, but this is just

intended to be my preliminary reaction to the revised FFS and draft ROD. I think I'll be talking about the draft ROD with Dimple on Monday, so would like to flag some of the big picture problems for Lorie and Leif ahead of that. Thanks!
