Hi Susan,

Our apologies for replying late. Here are some references that talks about the environmental link.

Tom and Brendan – please add others if I missed.

Thanks,
Mitsuru

Do you have any other articles that discuss the linkage between ag and humans more definitively?

Hi all,

Does anyone have a link to the publishedstudy on fungal resistance? I seem to recall it was supposed to publish last week or so, but haven't seen it.

Thanks,

Susan.

Where: Microsoft Teams Meeting

Hi everyone,

Look forward to continuing our discussions around triazole fungicides.

Proposed agenda:

- Introductions (CDC-EPA-USDA)
- Quick CDC updates on recent work with azole resistant *Aspergillus* and recent publication on environmental azole use
- Any updates from EPA and USDA
- Ways forward to collaborate on issues around environmental use of azoles
- Informal stakeholders meeting

Thanks,
Mitsuru
