Dom-

Carolyn asked me to follow up with you. We don't have a 'general email' box which is well suited to this. Feel free to have them send any emails to me. If they were to include 'PVC listing petition' in the subject line, it would help me quickly flag them.

Thanks,
Andy

Subject: RCRA petition input

Hi Carolyn,

The VI has members and affiliates who would like to contact you about the RCRA petition from the Center for Biological Diversity, but we would prefer that those folks are not inundating your email inbox. Instead, can you let us know about any public email address or an assistant to whom we could direct these folks who wish to send those emails?

Thanks for your consideration.

Dom
