Allegation #124 Report for Review Panel.FINAL 12July2017.docx

Hi, Kevin,

I searched through Francesca's in-box to find the latest version of the report from the Scientific Integrity Review Panel on the Sierra Club allegation. I found a May 11th email message from Bruce Rodan with his comments (only one regarding the report) and your May 9th email (with your comments). Otherwise, no other comments on the report from the Panel members.

I incorporated Bruce's comment into your document and then saved it and formatted it a bit. And, yes, I made a few very minor grammatical changes.

Do you think that we are safe to call this one final at this point?

Thanks,

Marti
