Hi Jeannie, Joe,

We updated the Predraft of the Sediment Chemistry report, integrating some changes based on Jeannie's comments in Chapters 4 and 5, to make this report consistent with the SEIS. Please let us know if you any comments on the report. Attached here is the WORD version of the text. The full report (with Appendices [field notes and lab data]) will follow in a minute as a separate pdf file.

The reports are also uploaded to the FTP site:
