Notes from 6/20/18 call:

NMED hopes to submit 2015 PM10 Exceptional Event Demonstrations by 12/31/18

EPA requests to review early drafts of the demonstrations

NMED plans to finalize Initial Notification letters for 2016 and 2017 PM10 Exceptional Event Demonstrations with proposed Demonstration submittal dates of 4/1/19 and 7/1/19, respectively.

Fugitive Dust Rule process is proceeding and Hearing is set for 9/28/18. NMED has extensive outreach efforts for Hearing (e.g., public notices, listserv).

NMED plans for 30 day Public Notice of the EE Mitigation Plan are proceeding with 9/30/18 submittal date.

Brief discussion of coordinating with local city and county authorities on dust control measures as part of the Mitigation Plan

At the end of May, NMED forwarded micro-inventory information to EPA grant project officer (large files, unique transfer system)
