Hi all,

Please find the revised presentation attached.

Revision includes – a change to keep the LISS and Dredging slides separate.

This should be the final presentation. thanks

Mel and all:

I put together four slides to accompany my intro on LIS. Can this be added on the front end of your presentation or just put up first?

Great, thanks Mark. Just invited you to a call at 3 to coordinate our presentation. We have a powerpoint covering the ELIS SEIS and LIS DMMP, but for the LISS issues at last week's congressional staff briefing in DC we just talked off the attached annotated briefing agenda and the briefing paper you and Leah prepared. We've updated both the basic agenda, the annotated agenda, and our powerpoint for tomorrow, all of which are attached here. Rudy has already sent the briefing papers we used at last week's briefing to the CT district staff.

Just to confirm with everyone, are we briefing just CT congressional district staff, or NY district staff also? And is Mark available to cover the LISS CCMP and nitrogen reduction strategy?

Hello Mel and Rudy,

This email is a draft email to send to your congressionals.

I know that Mel would like to send it out tomorrow (I will not be available until after 2pm).

Rudy & Mel please discuss and agree on the structure/edits.

If you all agree, please forward this information to your Congressional contacts for our meeting on Thursday, August 6, from 2:00 – 3:30pm.

Mel did send out a message to the Corps and I have confirmed that Meghan Quinn and Mike Keegan will be available. Mike will provide a brief update on the LIS DMMP.

1) Proposed Agenda: (attached)

2:00 Introductions (All)

2:05 Long Island Sound Study (Mel Coté)

- Background/National Estuary Program
- Comprehensive Conservation and Management Plan (CCMP) Update
- Nitrogen Reduction Strategies

2:20 Long Island Sound Dredged Material Management (Jean Brochi/Mel Coté)

- Background/Central and Western Disposal Site Designations
- USACE Dredged Material Management Plan (Mike Keegan, USACE)
- Eastern Long Island Sound Disposal Site Designation(s)/Supplemental EIS

2:50 Discussion/Q&A (All)

3:30 Adjourn

2) Webinar link: **https://epa.connectsolutions.com/r7heffmb53l/**

3) Conference line: Dial-In Number: (617) 918-2822

Password: 272512

4) Final presentation: (from July 30th but with a revised date of August 6th in pdf format and attached).

5) USACE LIS DMMP webpage and link to public notice: Please see the attached public notice regarding the public review of a Long Island Sound Draft Dredged Material Management Plan (DMMP) and Draft Programmatic Environmental Impact Statement (PEIS) prepared by the U.S. Army Corps of Engineers (USACE).

The notice is also available at:
http://www.nae.usace.army.mil/Missions/ProjectsTopics/LongIslandSoundDMMP.aspx

Thanks, Jeannie
