Subject: XtendiMax® With VaporGrip® Technology, EPA Reg. No. 264-1210; Updated Fast Track Amendment to Implement Regional Measures for 2023 Growing Season

Dear Emily Schmid,

Following discussions between Bayer CropScience LP (Bayer) and EPA regarding Bayer's submissions on September 7, 2022 and October 18, 2022, Bayer is herein submitting an updated version of the XtendiMax With VaporGrip Technology master label to support Bayer's proposal to reduce the cut-off of date for in-crop applications of XtendiMax from June 30th to June 12th for Arkansas (AR), Illinois (IL), Indiana (IN), Kansas (KS), and Nebraska (NE), from June 20th to June 12th in Iowa (IA) and from June 30th to June 20th in South Dakota (SD). Bayer's proposal also includes an additional growth stage cut-off of V4 in soybean and 1st square in cotton in AR, IA, IL, IN, KS, and NE.

This application is being submitted electronically and contains the following:

- This cover letter
- Application for Pesticide Registration (EPA Form 8570-1)
- Amended Master Label with changes highlighted
- Amended Master Label (clean copy)

Please contact me or George Sabbagh in our Washington D.C. office at (913) 231-6291 or george.sabbagh@bayer.com should you have any questions.

Sincerely,

Bayer U.S. – Crop Science

Arthur Toscano
