ELIS SEIS RA briefing v171613 .pptx

Hi pat,

Here is the powerpoint for your RA /Division meeting.

The only slides that I would edit for your presentation are:

(the informational slide #2 that discusses the regs) and (the criteria slides). For the site screening criteria, I tried to reformat so the majority of the information would be on the slide so they are slightly abbreviated.

so you may want to have the full regulatory language with you during the briefing.

thanks
