Hello Lydia,

I have made the requested changes to the proposed BAS 183 36 H herbicide labeling, and have attached both a clean copy and the annotated copy with the changes that were made.

I understand that we are still waiting on the Acute Tox and Product Chemistry reviews, but please review the changes and let me know if you have any additional changes at this time.

Thanks,

Jeff

Subject: [EXT] 7969-UIL label comments

Dear Jeff,
Please see the attached label comments for 7969-UIL. Make requested changes and send back clean and highlighted copies of the label. If you have any rebuttals, please include them in the body of the email.
Thanks,
