r places and help other people when they need it. The candidates responses As Brooks noted, much of the in

frastructure discussion so far this election cycle has focused on the wall Trump has vowed to build along the M

exican border. Leaving aside the impracticality of the wall and the border security that already exists, FLINT r

esidents said there are many more important infrastructure issues which deserve attention. The way things are

going here, theyll be running away from us instead of toward us, Jackson said. You wont have to worry about b

uilding a wall. Both Clinton and Sanders have made expanding infrastructure part of their campaign platforms.

Clinton has proposed a $250 billion plan, and Sanders has said he would commit $1 trillion. The American Soc

iety of Civil Engineers gives the U.S. a D+ grade on our roads, bridges, waterways, electrical grids, and other in

frastructure, and says the country needs to spend an additional $1.6 trillion by 2020 to get it all up to par. As m

uch noise as can be made about it, thats great. The Democratic candidates have used to highlight that messa

ge. They have both traveled to the city and have talked about the crisis as an example of the disastrous effects

of the countrys inadequate infrastructure system. Im happy that the candidates are talking about it, Yarber sai

d. As much noise as can be made about it, thats great. Something is much needed. Other voters expressed m

ore skepticism about the role of elected officials. If they plan on doing something about it, then Im all for it. But t

hey talk the talk and dont walk the walk, said DuJuan Houston, who told ThinkProgress he has suffered rashes

from the water and is on dialysis, so the situation is especially hard. As Houston spoke outside his polling plac

e, he was interrupted by Lee-Anne Walters, a resident who has become a vocal advocate and celebrity after s

he was one of the first people to question the water supply. Walters explained to Houston how complicated it is

to replace the citys pipes, and the risk of waste water going into peoples homes. Keri Webber and Lee-Anne W

alters outside City Hall. CREDIT: Kira Lerner During Sunday nights debate, Walters asked the Democratic ca

ndidates if they will require all public water systems to remove all lead-contaminated lines during their first 100 d

ays in office. Sanders vowed that the EPA will make sure every water system is tested and fixed, and Clinton

promised to replace the countrys pipes within five years. Walters said the answers, especially Clintons, werent

sufficient, and its not enough that they are just talking about the problem. Theyre not talking about infrastructu

re, she said. Telling me five years is no different than telling me two years on the FLINT River. Youre not ma

king it a priority. If it was a priority and they were actually talking infrastructure, it would have been: Yes, we wil

I get that done. Yes, we will make sure thats a top priority.' Instead, Hillary said five years, she continued. Gue

ss what? In five years you wont be in office. So how can you tell me five years? If America wants for the whole

country to go down the same road as FLINT, elect Donald Trump. The Republican candidates have only bri

efly addressed the crisis. In their debate Thursday in Detroit, they spent less than two minutes on the issue, de

spite its importance in the state. Marco Rubio criticized Democrats for politicizing the crisis and praised Gov. F

LINT for taking responsibility. FLINT voter Keri Webber said she is sick of both parties talking about the issu

es, but not genuinely trying to help her community. Youve got the Democrats who are using this and the Repub

licans couldnt find FLINT on a map if they tried, she said. And Im sick of both. I am waging a write-in campai

gn for Ramsey II, the family dog. Im voting my dog. But Van Jones, a CNN commentator and co-founder of the

non-profit Green for All, said a Trump presidency would be disastrous for the countrys infrastructure. Snyder i

s a business guy with a business mentality, and you saw what happened, he told ThinkProgress. If America wa

nts for the whole country to go down the same road as FLINT, elect Donald Trump. Tags Bernie Sanders F
