NAS has almost signed off on the study we funded, *Incorporating 21st Century Science in Risk-Based Evaluations.* They would like to brief EPA (and other cofunders) on January 4th at 10 AM, before they release the report publicly and brief Hill staffers. We will send the invite from Bob Kavlock. Hope you are able to join the briefing.

Non-EPA attendees should call Ex. 6 - Personal Privacy when you arrive for an escort.
