FYI – Here is the petition from UFW, et al. They want an emergency suspension and are seeking a 30-day response from us (in addition to a meeting with the Administrator).

Mark

I am emailing you the cover letter, chlorpyrifos suspension and cancellation petition, and the supporting declaration from Dr. Phillip Landrigan. There also are numerous exhibits, which I could provide on a CD. The entire packet was overnight mailed to the Administrator to be received this morning. Feel free to contact me.
