Dear Counsel,

Regional Administrator KC Becker and I want to hear from you. While we often communicate in the context of litigation, this meeting is intended to broaden our conversation. As lawyers and leaders in the conservation and environmental community, your perspective can help EPA Region 8 do more to protect public health and the environment in our region. We'd like your input on what Region 8 could do differently to potentially reduce the need for litigation; what are the most pressing environmental and public health issues in the region; and, how EPA might do more to advance the protection of the environment and public health, particularly in overburdened communities.

We would like to make this a hybrid meeting, to give you the opportunity to participate in person or virtually. EPA Region 8 is located at 1595 Wynkoop St. in Denver, Colorado. If you plan to attend in person, please let us know, and we'll follow up with more information on building access and other logistics.

We look forward to meeting with you.

Kind regards,
KC Schefski
Regional Counsel
