Dear Ms. Hriczko,

I'm concerned that you didn't receive my earlier email requesting the format that you would prefer for Union Carbide's response to the Niagara Falls Boulevard Site and the Holy Trinity Cemetery Site information request, therefore I am resending my email.

Kind regards,

Tina Dittenber

Subject: 104 INFO REQUEST - NIAGARA FALLS BLVD SITE & HOLY TRINITY CEMETERY SITE

Dear Ms. Hriczko,

I am a paralegal working on the response to the Request for Information sent to Union Carbide Corporation regarding the Niagara Falls Boulevard Site and the Holy Trinity Cemetery Site. We are planning to submit our response by the deadline for a final response (May 13) that was granted by Margo Ludmer to Megan McCulloch on March 31. How would you like to receive the documents that we will be providing in our response? We can provide paper, tif images, pdf images or a database load file. Please advise.

Kind regards,

Tina Dittenber
