Subject: Radiation and Indoor Air Branch Highlights and RIAB schedule for the week of May 9th
RIAB Highlights 05-03-2016.docx

The RIAB Highlights for this week are attached.

For the week of May 9th, Paul Giardina is scheduled to be in the NY office from Tuesday through Thursday. While scheduling is as yet uncertain, Paul will also be in the office on either Monday or Friday of next week and out on Flex on whichever day he is not in the office. Whenever Paul takes his Flex day off, I will act for him.
