Hi Iris – we just received a request to move the Earth Justice meeting. Is there a good time for Dr. Nance that could work based on the alternative dates/times proposed below?
Thanks!

Hi Lynne,

It ends up the representative from the local Sierra Club will no longer be able to join on the 26th. I'm sorry to ask because I know scheduling with many people can be tough, but are you all available Monday, January 23, 9am-2pm CT; Tuesday, January 24, 9am-5pm CT; or Wednesday, January 24, 9am-2pm CT? Thank you very much.

Best,
Deena

Great, thanks! If you could let us know if Microsoft Teams is appropriate and if you will be forwarding an invitation to your clients (or if there is a list of folks we should include in the invite), that would be great.

Best,
Lynne

Hi Deena – just checking to see if you received my email and if so, whether Earth Justice has confirmed the meeting date of January 26th? I'm also including your colleague, Adam Kron, in case you are out of the office.

Many thanks,
Lynne

Hi Deena,

Happy New Year! The Region 6 Regional Administrator is available for a meeting on January 26th (Thursday) from 1:00-3:00 CDT. Does this time still work? We anticipate inviting EPA OECA (HQ) folks, as well as folks from EPA Region 6 and the Department of Justice. Would that date and time work for Earth Justice and its clients, with the understanding that one meeting would occur as opposed to two? If so, I can work on getting a meeting invitation sent to you. Also, with meeting technology – is Microsoft Teams available to Earth Justice? Or is there another platform that is available? And finally, any accommodations needed (sign language, language translation)?

Many thanks,
Lynne
