Hi Doug,

I searched on Google for Arbor's owner in Montauk. From the results, I found articles in The NY Times and Curbed Hamptons (G:\User\Share\DECADIV\DECA-WCB\WCB - FOIA\Arbor FOIA) that say Marc Rowan of Apollo Global Management is the owner and Steven Jauffrineau is the managing director. Address for Apollo was obtained via company website. Marc Rowan's Executive Profile on Bloomberg further confirmed the address.

Three more LCC info request letters were issued to businesses in Montauk between October 27th and November 10th, 2016. These files are also saved in the Arbor FOIA folder.

Thanks,
Lisa

Lisa please start compiling a response.

How did we get the address we used in the letter?

What other letters did we send out and so on.

Give him everything we have, so please compile all the info and I will upload into the FIOA online system.

Thanks Doug
