What special case issue? Wasn't aware we are working on that.

Thanks! And thanks for helping out. Michelle did see a longer version of the presentation at the OERA retreat last autumn, if that helps, at all. Also weird that we're briefing her separately, on the special case issue, next Wednesday &--especially weird—that Michael didn't say anything about that…? Anyway, good luck!

Thanks Heather! BTW, GREAT presentation the other day to the ET. Too bad Michelle wasn't there, so we wouldn't be in this situation now.

Heather and Endre, We are having a 30-minute briefing with Michelle on the 6 TRAR issues on Thurs afternoon, and she has requested written briefings by COB last night ☺. We want her to be aware of these issues before she participates in the Coast Salish Gathering next Monday and Tues. If you would be so kind and as you are able, if you could look over this HTL briefing and provide me your comments, I would appreciate it. The track changes are Michaels.

Thanks so much!!!!

Susan

Susan,

Here are my thoughts. You should probably have Endre and Heather review as well.

Thanks

Hi Michael, Sorry to inundate you with work first thing in the morning, but if you please, a review would be nice. Very similar to the last briefing, just trying to clarify a few things.

Thanks,
