Thanks Peter. I'd like to talk with you about many PS things. I'm booked until about 2:00 today and in DC next week. Any chance I could reach you by phone later today or Monday afternoon? I'm feeling a bit out of sync because we've both been busy. ~Would be good to catch up.

All,

I just learned that our admin team in Portland didn't have email addresses for you, and thus did not send this to you last week. Here you go. Thanks for your collaboration during the NWP review process.
