Subject: "Table of Contents"

Mike,

Here is an excerpt from the transmission letter I will be signing and sending to GE tomorrow morning. The following list is a "table of contents" of the documents we will be giving you for loading onto the website. In addition, there will be a .pdf of the transmittal letter itself, which contains some important additional information about the decision.

>>>>>>>>>>>>>>>>>>>>

The Phase 2 Decision is comprised of the following enclosed documents:

1. Revised Engineering Performance Standards for Phase 2;

2. Technical Memorandum, Quality of Life Performance Standards Phase 2 Changes;

3. December 2010 SOW for Remedial Action and Operations, Maintenance and Monitoring, which includes the following attachments:

a. Attachment A: Critical Phase 2 Design Elements;

b. Attachment B: Phase 2 Remedial Action Monitoring Scope;

c. Attachment C: Phase 2 Performance Standards Compliance Plan Scope;

d. Attachment D: Phase 2 Remedial Action Community Health and Safety Program Scope;

e. Attachment E: Operation, Maintenance, and Monitoring Scope for Phase 2 of the Remedial Action; and

f. Attachment F: Certification Unit Completion Approval/Certification Forms.
