Subject: October Mid-Coast TMDL Meeting Information
503-725-8200
503-725-8191

Greetings Mid-Coast TMDL participants and alternates,

Following is a schedule summary for the upcoming October Mid-Coast TMDL meetings. Note that based on the technical work that needs to be completed and the need for a more robust Sediment TWG meeting, we will not be holding Temperature TWG or LSAC meetings in October. We are still finalizing agendas for the Bacteria and Sediment TWG meetings, so start and end times may vary slightly depending on the material being covered. We will follow up soon with proposed agendas and additional information.

October Meeting Schedule:

Bacteria TWG: Tuesday, October 16 from 1:00 pm - 4:00 pm
Sediment TWG: Wednesday, October 17 from 9:00 am - 4:00 pm

Meeting Location - both meetings will be held at in Newport. We are still in the process of scheduling meeting location but will send all logistics information as soon as possible.

Please feel free to contact us with any questions or concerns.

Regards,
Turner and Peter
