Subject: RE: Doodle Poll for Pend Oreille TMDL meeting

So Dave left me a message on this Friday. At this point there is no new information for Ecology so I am working with Jim Bellatty and Don Seeberger to determine who from Ecology will attend. Since there is no new science a good firm agenda will be important so we know what we want to accomplish with the meeting.-Thanks-Melissa

Subject: Doodle Poll for Pend Oreille TMDL meeting

I just sent out a doodle poll to help select a date for a meeting between Ecology and EPA to discuss options for moving forward on the Pend Oreille TMDL. Please respond by the end of the week (January 31).
