Subject: call with Mountaire counsel

I am working from home and usually done at 3:30, but don't mind calling in if you want to do it that way.

We can use the same number we used yesterday with Rick 215-814-2585 #423221

Otherwise if you are in tomorrow we can catch-up – I'm good either way

Amy, I added some additional comments. Can you pass them up the chain in WPD?

Also, I have a call with counsel for Mountaire today at 4. I am comfortable having that call alone, but am inviting you if you are here at that time and would like to sit in. Please let me know.

Andy
