Sarah/David/Justin,

We have time blocked on the Administrator's calendar for hearing prep on Monday. I've listed below the issues we are asking you to brief him on, as well as the time you are slated to assist.

To assist in your briefings, I've attached the new, abbreviated fact sheets I will be passing him should these issues come up in the hearing. *Can you please make time before noon on Friday to review these and provide me with edits, if any are needed*? These are each less than half a page and review should be quick.

Note – still working on the Tribal fact sheet and will provide that ASAP.

Thanks in advance!

Holly
