Thanks- just curious if you had a list of talkers by subject, etc. Nancy Grantham gave me something a while back.

We can try our best, but frankly Policy is probably the best for this…let me work with Amy on this.

Liz, could someone on your staff take a look at the list below, and send me any and all talking points or quotes from SP that OPA has accumulated related to the following subjects? We expect these to be the topics during next week's hearing?

Is it possible that they could give this to me today?

Thanks!
