I think we are going to need to get SharedDoc started so that we can all help fill these in for Holly by the end of the day. I can create one and share it with you all, but we need ONE sentence on each of these issues. Troy, can you ask Kaitlyn to help us set up this shared doc?

Liz, could someone on your staff take a look at the list below, and send me any and all talking points or quotes from SP that OPA has accumulated related to the following subjects? We expect these to be the topics during next week's hearing?

Is it possible that they could give this to me today?

Thanks!

Holly
