All,

Thank you for your patience when things seem so in flux. I wanted to touch base.

Please refrain from making any contacts. If any contacts have been made, we must know the full extent immediately. Has anyone started doing outreach and to whom?

Hi Nancy,

We plan to make the following courtesy calls to key stakeholders this evening to let them know that EPA has reached a settlement agreement with Pebble, which will be announced in detail tomorrow. We are providing no details today, just giving a heads up that a settlement will be announced widely early tomorrow morning. Please let us know asap if OPA has any problems with this plan.

Thank you,

Suzanne

Nancy and Marianne,

We would like to confirm that OPA has received and reviewed our proposed communications/outreach plan with attached stakeholder and media contacts, plus Qs/As.

We would like to get feedback from OPA to confirm who -- HQ or R10 -- is doing outreach to which contacts, by phone and/or email, and when.

Thank you,

Suzanne
