David -

Today we received the attached letter from the Corps inviting EPA to be a cooperating agency. The Corps requests a written response after the Jan 18 meeting and by COB Jan 29.
With assistance from Ashley and Kim, I developed a cover letter and comments on the Cooperating Agency Coordination Plan. Molly and Jill are currently reviewing that letter, but I hope to send it to you by the end of the day for review and signature so that the Corps understands our concerns in advance of the Jan 18 meeting.

I also received the agenda for the meeting on the 18th. The afternoon portion of that meeting will include a discussion of the cooperating agency coordination plan and proposed schedule. I plan to send the agenda and meeting invite to the NEPA/permitting team, requesting broad participation in the morning session (project overview) and more focused participation during the afternoon session (discussion of way forward).

Please let me know if you have questions.
Patty
