Glenn,
Thanks for taking the initiative. (b) (5) [redacted]

I added a couple of edits and a comment.

(See attached file: Mine Scenario Outline_GS_Bob_GS.docx)

Subject: Re: Mining Scenario

Since there were no more comments after Bob's, I took another stab at
the outline for the mining scenario.
I also started a notes page where we can discuss how we are going to
proceed.
Please, everyone add to or comment on the notes and outline.
We need to start making some progress on this.
