Subject: Bristol Bay Watershed Assessment media and public inquiries

Bristol Bay Technical Team:

As we approach the public release of our draft watershed assessment, we are seeing an increased number of inquiries from the media and other members of the public. I am forwarding a message that Rick Parkin sent in November to members of the technical team, as a reminder about how you can respond, if contacted. Thanks for your continued cooperation.

As Bristol Bay team members and contractors, you are aware of the public interest in Bristol Bay and our watershed assessment. Media and public entities have recently contacted members of our Bristol Bay watershed assessment team to ask for interviews or presentations.

Should you be contacted by the media or public, please contact Region 10 Public Affairs Staff before responding. They can help you anticipate difficult questions and prepare for an interview and provide tips on how to keep the focus squarely on the science. As a general rule, it is premature to present information to the media or public before the draft assessment is released for public review.

Your Region 10 contacts are EPA press officer Hanady Kader at 206-553-0454 (kader.hanady@epa.gov). Backup press officers are Judy Smith 503-326-6994 and Marianne Holsman 206-553-1237.

Please call me if you would like to discuss this. Thank you
