Kate and Nancy,

Please find attached Jim's summary notes from yesterday's call.

A note regarding LOE; you have asked that these follow-up calls be conducted under Task 4 and the previously adjusted LOE estimates we provided for Task 4 only included the effort to prepare the written comments. The estimates did not include these additional (and substantial) calls. Just an FYI for now. Can talk more details later.

Please let us know if you have any questions about the 1-25 call summary notes.

Thank you,

Jonathan and Jim
