Did you get anything back from Palmer?

I forwarded it to the OGC folks. I got a bunch of them volunteering to review but none of them saying they would be doing the final chop.

Hi everyone

Thanks for the teaming on this today. Any update on the ETA for the R10 team to work through our process end to get to the RA today?

I'm playing catch up because this is my first day back online but I'd be happy to take a look as well.

I'm happy to review it but would want Heidi to take a peek as well, to the extent there will be any invocation of staff-level OGC review. Thanks much.

Importance: High

HI All - We are finalizing some quick tonal edits to the pebble letter in order to help facilitate discussions w/ leadership tomorrow. There is no substantial changes to the comments.

Since R10 is short staffed today, Marthea will be finalizing edits in redline today and sending them around. I have one OW staff person that will chop for the OW staff level. Could I get one person to agree to sign off for the OGC staff level quickly today?

We want to send this up through R10 RA to the leadership for the discussion tomorrow

If you need more background, you can give me a call on my cell Ex. 6 Personal Privacy (PP)

Thanks!
Cindy
